GEORGE LUCAS STAGE 1

With a height of 15m, the GL stages are ideal for larger set builds, tour rehearsals and productions requiring top quality facilities.

These soundstages were completed in 1999. George Lucas used these stages during the filming of Star Wars and welcomed the opportunity of naming Stages 1 and 2 the 'George Lucas Stages'. These stages are very popular and have been host to many well-known films and television shows.

STAGE 5

Silent Stage 5 provides ideal non sound sync filming space with great entry and access points, plus its own associated offices and toilet facilities.

An excellent supporting stage for productions using other stages and facilities on site, Stage 5 is a versatile space, conveniently located in the centre of the site. It also has an internal stairway access path to attached rehearsal rooms.

STAGE 6

Sound stage 6 is Elstree's smallest but most versatile studio with a laser levelled resin floor and associated green rooms, wardrobe area and workshop.

Very popular for television shows, commercials, pop promos and shorter shoots, Stage 6 is also an ideal supporting stage for larger-scale productions requiring a first-rate additional sound stage. Stage 6 is very easily accessible, located towards the front of site.

BACKLOT

The spacious Elstree Studios backlot is ideal for productions needing private, exterior space for large sets and outdoor shoots.

The specially designed water-absorbent surface on our backlot means that the ground will remain dry in all weather conditions.

Situated to the rear of site, next to our George Lucas Stages and adjacent to the new stages in construction, the backlot provides excellent additional space for large-scale productions.

3 acres
130,680 sqft. (approx.)
12,140.6 sqm. (approx.)

OFFICES

MEETING ROOMS

WORKSPACES

Elstree Studios has a range of office facilities for productions, available to hire alongside stages or individually.

Our offices can be adapted to become meeting rooms (see our 'Spielberg Suite' here) for read-throughs or production meetings or any kind of required workspace.

Our offices are based across site, alongside stage/workshop facilities and within purpose built office blocks. Elstree Studios can provide desks, chairs, telephones and *wifi when required.

*Subject to clients' contract and agreed charges.

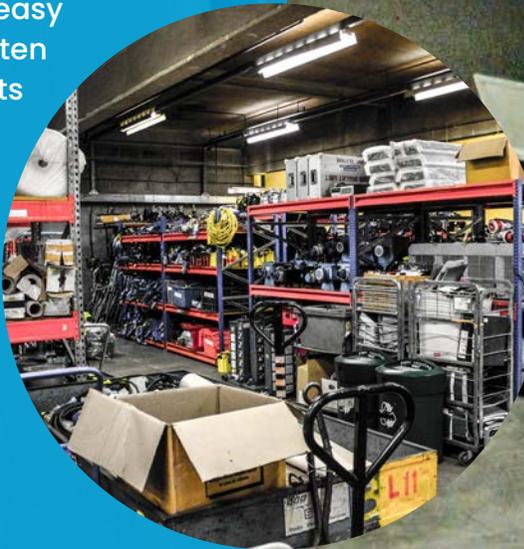

WORKSHOPS STORAGE SET BUILD SPACE

An essential facility for any production, Elstree Studios also has a range of workshops located across site for hire.

Our workshops come in a variety of sizes, heights and accessibilities. They are often hired for set build and preparation periods as well as longer term for equipment and prop stores.

Most workshops are situated as close to stages as possible for easy transportation and are often situated alongside tenants of our on site production village who specialise in set construction, prosthetics, equipment hires, etc.

DRESSING ROOMS

HAIR/MAKE-UP ROOMS

GREENROOMS

Alongside any stage hire, Elstree Studios has a whole spectrum of Dressing Rooms, Wardrobe Departments, Hair & Make-up Rooms and comfort lounges. Many of these rooms are adaptable to offer productions precisely what they require.

Our dressing rooms are furnished for comfort with sofas, dressing tables and light mirrors, TVs and en-suite facilities. Our Hair and Make-up facilities have fitted hair-wash basins, sinks and adjustable chairs.

With flexible bookings, Elstree Studios can provide these rooms as and when required by the productions.

WANT TO KNOW MORE?

Our dedicated team are keen to help with any of your production's requirements, so please do get in touch.

You can reach our Studio Bookings Team by calling: +44 (0) 20 8953 1600

GET IN TOUCH

“The Crown is proud to be part of Elstree Studios' rich tradition of British film and television production. It's no wonder they have a century of filmmaking under their belt, the team at Elstree are second to none. They always go above and beyond to help us try and achieve the impossible everyday.
